The Portuguese revolutionists use automobiles to get Manuel his throne. Kingdoms no longer are treated for horses.

A bite from a Chicago dog has killed a Chicago boy, who was worth more than all the unmuzzled dogs in Chicago.

Since the duke of the Abruzzi has become such a popular hero in Italy they ought to let him marry the girl he wants.

Enthusiastic fly swatters should avoid disciplining their children unnecessarily just to keep in trim for next season.

That school for brides to be is perhaps the right idea, but will it not deprive the dears of the joy of finding out for themselves?

The Chicago man who offered 50 cents to have a marriage engagement broken is just another one of those Windy City profligates.

These new counterfeit \$10 bills may drive an exasperated populace into accepting only twenties, fifties and hundreds for their day's work.

A woman in New York hammered a nail in her shoe with a loaded shell, and yet we talk of the accidents which happen to unfortunate people.

A California woman buried a man she thought was her husband, and then her own old man came back. She will be more careful next time.

A New Jersey undertaker, who is running for office, uses his hearse in his campaign. He takes an odd way to show that he is not a dead one.

The ancient device of blaming everything on the woman has, by the gallantry of modern times, been softened down to accusations of her hobbie skirt.

One of our correspondents wants to know if she is too old at twenty-two to take up the study of music. She is about twenty-two years too old to attack some of the popular songs with satisfactory results.

A Boston woman of eighty-four has been winning prizes for both farm and art exhibits at a country fair. This shows that energy and determination are among the ingredients, at least, of the draught producing perpetual youth.

The air serpent has been discovered by an aeronaut whom it attacked. It is described by its terrified victim as a long, green monster, with huge wings. After this the sea serpent will seem but a mild domestic pet. Another suggestion of the discovery will be for ships to have water wagon attachments by way of precaution.

The American eagle has good cause to scream as he points with pride to one American young woman of wealth who has refused to wed high and noble titles, preferring to return from the conquest of the European title market to bring up her young son as a good and loyal American. Perhaps her course may induce other young American women to follow her sensible and patriotic example.

A Pennsylvania molder has invented a steel of remarkable hardness suitable among other things for a superior article of armorplate. Next we will hear of the projectile man who will invent a shell to pierce it. And so the war game ever goes on.

There is much medical wonder over a man in Minnesota who survived having a cut in his heart sewed up. Yet a broken heart, all know, is such an easy hurt to remedy that the medical profession science does not even regard it as worthy of attention.

"Lightning," says a modern philosopher, "never hesitates when it has anything to do: it goes straight to the mark." Our observation is that lightning does nothing of the sort, but it makes an atrociously crooked track.

FOSS IS RE-ELECTED

MASSACHUSETTS RETURNS DEMOCRATIC GOVERNOR BUT BALANCE OF TICKET DEFEATED.

NEW YORK GOES REPUBLICAN

Has Majority in Legislature—G. O. P. Wins in Maryland and Rhode Island—Democrats Carry Kentucky—Illinois Towns Vote "Dry."

Boston, Mass.—The Democrats won the state election and kept Massachusetts in the party column by continuing Gov. Eugene N. Foss in office for a second term. Complete returns for governor in the state election give: Foss, Democrat, 210,522; Frothingham, Republican, 202,588; Foss' plurality, 7,934. The margin of victory was the narrowest in years and for hours after the close of the polls the result hung in the balance. Republicans refused to concede the defeat of Frothingham and it was intimated that a state wide recount might be necessary.

The next legislature will stand as follows: Senate—Republicans, 27; Democrats, 19. House—Republicans, 146; Democrats, 92; socialist, 1; independent, 1.

New York.—Returns from all sections of the state on assemblymen show that the Republicans have regained control of the lower house of the state legislature by a safe majority. The present assembly is Democratic by 24 majority. Herbert M. Merrill, Socialist, is elected assemblyman from Schenectady county.

Returns from twenty-two of the thirty-four New York cities electing mayors show about an even division, eleven Republicans being elected, ten Democrats and one socialist.

The Republicans made practically a clean sweep in Buffalo. Mayor Edgerton (Rep.) was re-elected mayor of Rochester by more than 5,000.

Edward Schoenck (Rep.) was re-elected mayor of Syracuse over Ludington (Dem.) by 14,790 votes to 10,578, a plurality of 4,212.

Mayor James B. McEwan, Republican, of Albany, was re-elected by a substantial majority.

The city of Utica elected a Republican mayor by a majority of 300.

Cleveland, O.—Cleveland, which two years ago went Republican, electing Herman C. Baehr mayor over the late Tom L. Johnson, and returned to the Democratic fold, electing Newton D. Baker, Johnson's political heir, mayor over Frank G. Hogen, Republican, by about 18,000 majority. The entire Democratic city ticket was elected with the exception of five councilmen.

Henry T. Hunt, Democratic nominee for mayor of Cincinnati, was elected by a majority estimated between 5,000 and 6,000.

George J. Karb, Democrat, was elected mayor of Columbus by a majority of 4,000.

Brand Whitlock, Independent, was elected mayor of Toledo for a fourth term by a small plurality.

Returns show the election of Arthur Turnbull, Democrat, as mayor of Canton by a plurality of 2.

Eight Ohio cities elected Socialist mayors. These are Lorain, St. Marys, Martins Ferry, Potosi, Mount Vernon, Barberton, Salem and Cuyahoga Falls.

New Brunswick, N. J.—The Democrats elected all three members of assembly from Middlesex county. This is a Democratic gain of one.

Albuquerque, N. M.—Returns indicate a complete triumph for the Democratic ticket in New Mexico. There seems little doubt that the new state will enter the Union in the Democratic column.

Providence, R. I.—Returns for governor give: Pothier, Republican, 13,527; Waterman, Democrat, 9,357. This rate will give Gov. Pothier more than 6,000 majority.

Philadelphia, Pa.—Complete returns show that Rudolph Blankenburg, Independent Republican, who headed the fusion ticket, was elected mayor of Philadelphia by 4,364 plurality.

Returns from the 14th congressional district indicate the election of W. D. Alney of Montrose, Republican, over Dr. O. H. Rockwell, Democrat.

Iola, Kan.—Iola gives Joseph A. Taggart, Democrat, for congress in the 2d Kansas district, 200 majority over Ulysses S. Guyer, Republican. By a three to one vote Manhattan adopted the commission form of government.

Fremont, Neb.—The returns from the 3d congressional district show that Dan V. Stevens, Democrat, was elected over Elliott, Republican.

Everett, Wash.—The Rev. B. H. Hazell, Republican, formerly pastor of the First Congregational church, was elected mayor of Everett.

Springfield, Ill.—Local option elections were held in a score of towns in central and southern Illinois. The "dry" won in a majority of the places.

Negro Slayer Gets Life Term. Keokuk, Ia.—John A. Roland, a negro, was given a life sentence for the murder of Lily Jones, a white woman, on June 20. He shot her six times and twice attempted to commit suicide.

Taft Saves Woman's Life. Sewanee, Tenn.—President Taft granted a ninety-day reprieve to Mattie E. Lomax, a colored woman of Washington sentenced to suffer the death penalty for murder of her husband.

REFORMER WINS PHILADELPHIA

RUDOLPH BLANKENBURG.

Rudolph Blankenburg, Philadelphia's "war horse of reform," has been chosen mayor of that city over the candidate of the long entrenched machine. Mr. Blankenburg is a wealthy manufacturer who for more than twenty years has been waging war on graft and corruption in Pennsylvania.

The incorporators met at Mr. Carnegie's residence, adopted a constitution and by-laws and elected the following officers:

President, Andrew Carnegie; vice-president, Elihu Root; treasurer, Robert A. Franks; secretary, James Bertram.

It was only after all the business of the meeting had been transacted that Mr. Carnegie announced he would transfer to the corporation \$25,000,000 in first mortgage bonds of the United States Steel corporation.

In a statement issued it is set forth that the Carnegie Corporation of New York will receive and maintain a fund or funds and apply the income thereof "to promote the advancement and diffusion of knowledge and understanding among the people of the United States, by aiding technical schools, institutions of higher learning, libraries, scientific research, hero funds, useful publications and such other agencies and means as shall from time to time be found appropriate therefor."

SON ACCUSES MOTHER

LAD SAYS MRS. QUINN SLEW HIS FATHER.

Police Begin Probe into Mysterious Deaths of Three of Woman's Husbands.

Chicago.—Following a dramatic scene at the Kensington avenue police station, in which Charles Elmer Thorpe of Jackson, Mich., accused Mrs. Jane Taylor Quinn of the murder of his father, the police began an investigation into the death of three of the woman's husbands who died under circumstances indicating murder.

Since the woman was placed under surveillance following the death of her husband, John M. Quinn, a third husband, whom she repudiated early in the investigation, was found to have been shot and killed "by burglars," just as Quinn met death while sleeping in his home November 2.

Mrs. Quinn denied that she had ever been married to any but Quinn and John McDonald, the Canadian who died suddenly of "alcohol poisoning." As the inquest drew to a close for the day she was suddenly confronted by Elmer Thorpe, whom she admitted having met before, and then swooned.

U. S. GETS M'NAMARA RECORD

Evidence in Indianapolis Dynamite Case in Hands of Government.

Indianapolis, Ind.—The books and records of the International Association of Bridge and Iron Workers were placed in the hands of the federal government by order of Judge Anderson. United States marshal Schmidt immediately took them to the federal grand jury room.

The action of Judge Anderson was taken following a report from the grand jury that they were unable to get the evidence on its subpoenaed duces tecum.

The federal grand jury at once began the investigation of the charges against the McNamara brothers for alleged violation of the federal statutes in transporting dynamite in common carriers through the states.

Janesville, Wis.—Splintered timbers, broken furniture, crumbled rock and plaster, scattered farm produce and dead farm animals littering the ground over an area a quarter of a mile in width and 20 miles in length indicate the tremendous force with which Southern Wisconsin's worst cyclone swept a path through Rock county, killing eight persons, injuring many more and doing damage to the extent of \$1,000,000.

Of the injured ones, Albert Schmidt, 14 years old, near Hanover, will die. His father and two sisters are dead. At least one more may die.

PLAN CAPTURE OF NANKING.

Shanghai.—The most important constructive revolutionist step was taken in the sending out of telegraphic invitations to the 14 seceding provinces to appoint delegates who shall establish a provisional National Assembly at Shanghai.

This is to supersede the assembly at Peking, which at present is comprised of government nominees. The people failing to attend to the notice will not obtain the recognition of the revolutionists.

A military conference was held at Soochow to plan the capture of Nanking. In order to prevent unnecessary bloodshed and quickly restore peace, it was decided to offer \$500,000 to Gen. Chang Hsu's officers not to make resistance, or \$200,000 for Chang Hsu's head.

With all the inhabitants either dead or seeking safety in flight, and the rebels still unprepared to give battle, Nanking continues to be the scene of fighting and fire. Mutiny has broken out in the ranks of Gen. Chang Hsu and the imperial army is divided against itself.

Chang is virtually waging an independent warfare. The Tartar general remains strongly guarded in Pichoko Temple, afraid to communicate with the rebel commanders. The victory is hopeless. He has repeatedly urged Chang to follow a more moderate policy and to prevent a general massacre.

TEMPERANCE NOTES

TWELVE DOLLARS A MINUTE
That Sum in Good American Coin Is Paid Into the Coffers of Uncle Sam by Peoria Distilleries.

As we are seeking to promote temperance and the banishment of liquor from our midst, and are doing so (as far as adding "anti-saloon" territory is concerned) it might be of interest to look over some figures given by a secular paper, in regard to the revenue derived by the government from this traffic the past year; and from where it came, writes S. H. McMillan of Effingham, Ill., in the United Presbyterian. We quote from the article at the beginning. "The four leading distilleries of Peoria, according to a rough estimate, pay into the coffers of Uncle Sam every minute of the day and night, the year round, the sum of \$12, in good, hard, American coin; according to figures made public by the commissioner of internal revenue. Illinois and Peoria still continue to lead the list of states and cities in the matter of internal revenue collections; the nearest competitor to it being New York, but is nine millions behind it. There is no other revenue district in the world except New York that anywhere nearly approaches Peoria on import duties. The total collections for the United States for the year ending June 30, 1911, was \$322,526,269, as against approximately \$290,000,000 for the preceding year. This is the greatest year in the history of the government since the internal revenue law was passed. The previous "high-water" mark being in 1866, when \$310,000,000 was collected, but this was in time of extraordinary needs, and resulted from extraordinary legislation.

By states the leaders stand as follows: Illinois, \$553,000,000; New York, \$444,000,000; Indiana, \$331,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Kansas, \$298,000,000; Nebraska, \$298,000,000; Oklahoma, \$298,000,000; Arkansas, \$298,000,000; Louisiana, \$298,000,000; Mississippi, \$298,000,000; Alabama, \$298,000,000; Georgia, \$298,000,000; Florida, \$298,000,000; South Carolina, \$298,000,000; North Carolina, \$298,000,000; Virginia, \$298,000,000; West Virginia, \$298,000,000; Kentucky, \$298,000,000; Tennessee, \$298,000,000; Mississippi, \$298,000,000; Louisiana, \$298,000,000; Arkansas, \$298,000,000; Oklahoma, \$298,000,000; Nebraska, \$298,000,000; Kansas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Illinois, \$298,000,000; Indiana, \$298,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; New York, \$298,000,000; New Jersey, \$298,000,000; Delaware, \$298,000,000; Maryland, \$298,000,000; Washington, \$298,000,000; Oregon, \$298,000,000; California, \$298,000,000; Nevada, \$298,000,000; Idaho, \$298,000,000; Utah, \$298,000,000; Arizona, \$298,000,000; Colorado, \$298,000,000; Wyoming, \$298,000,000; Montana, \$298,000,000; North Dakota, \$298,000,000; South Dakota, \$298,000,000; Nebraska, \$298,000,000; Kansas, \$298,000,000; Oklahoma, \$298,000,000; Texas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Illinois, \$298,000,000; Indiana, \$298,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; New York, \$298,000,000; New Jersey, \$298,000,000; Delaware, \$298,000,000; Maryland, \$298,000,000; Washington, \$298,000,000; Oregon, \$298,000,000; California, \$298,000,000; Nevada, \$298,000,000; Idaho, \$298,000,000; Utah, \$298,000,000; Arizona, \$298,000,000; Colorado, \$298,000,000; Wyoming, \$298,000,000; Montana, \$298,000,000; North Dakota, \$298,000,000; South Dakota, \$298,000,000; Nebraska, \$298,000,000; Kansas, \$298,000,000; Oklahoma, \$298,000,000; Texas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Illinois, \$298,000,000; Indiana, \$298,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; New York, \$298,000,000; New Jersey, \$298,000,000; Delaware, \$298,000,000; Maryland, \$298,000,000; Washington, \$298,000,000; Oregon, \$298,000,000; California, \$298,000,000; Nevada, \$298,000,000; Idaho, \$298,000,000; Utah, \$298,000,000; Arizona, \$298,000,000; Colorado, \$298,000,000; Wyoming, \$298,000,000; Montana, \$298,000,000; North Dakota, \$298,000,000; South Dakota, \$298,000,000; Nebraska, \$298,000,000; Kansas, \$298,000,000; Oklahoma, \$298,000,000; Texas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Illinois, \$298,000,000; Indiana, \$298,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; New York, \$298,000,000; New Jersey, \$298,000,000; Delaware, \$298,000,000; Maryland, \$298,000,000; Washington, \$298,000,000; Oregon, \$298,000,000; California, \$298,000,000; Nevada, \$298,000,000; Idaho, \$298,000,000; Utah, \$298,000,000; Arizona, \$298,000,000; Colorado, \$298,000,000; Wyoming, \$298,000,000; Montana, \$298,000,000; North Dakota, \$298,000,000; South Dakota, \$298,000,000; Nebraska, \$298,000,000; Kansas, \$298,000,000; Oklahoma, \$298,000,000; Texas, \$298,000,000; Missouri, \$298,000,000; Wisconsin, \$298,000,000; Minnesota, \$298,000,000; Iowa, \$298,000,000; Illinois, \$298,000,000; Indiana, \$298,000,000; Ohio, \$298,000,000; Pennsylvania, \$298,000,000; Michigan, \$298,000,000; California, \$298,000,000; Texas, \$298,000,000; New York, \$298,000,000; New Jersey, \$298,000,000; Delaware, \$298,000,
